Cox Business bills all customers in advance for monthly recurring charges and in arrears for non-recurring charges such as On Demand/pay-per-view and long distance. Payment in full is due to Cox by the "Due By" date indicated on your statement. If payment is not received by this date, your bill will become past due and may be subject to additional fees, such as late payment charges, electronic reactivation fees, or returned payment fees. Payment of your Cox bill confirms your subscription to services and the possession of Cox owned equipment listed on your bill.

When you provide a paper, electronic check or electronic fund transfer (EFT) as payment, you authorize Cox to process your payment as a

traditional check transaction or to make a one-time EFT from your account. An EFT may debit your account as soon as the same day you make your payment. Payments returned unpaid for any reason will incur a returned payment fee of up to \$25.00, or the maximum allowed by state law. By using a credit card, debit card, paper check or an electronic check to make a payment, you agree that, if your payment is returned unpaid, you expressly authorize a one-time electronic fund transfer from your account for the amount of the payment plus any returned payment fees. If payment is not received by the "Due By" date indicated on your statement, a late payment charge may be assessed on your account.

Basic Local Telephone Service: You must pay all regulated telephone charges to avoid disconnection of basic local telephone service. If you pay less than your full monthly bill and want the partial payment applied to telephone charges first, call Cox Customer Care; otherwise, your partial payment will first be applied to any past due balance, including non-regulated charges, putting you at risk of disconnection of telephone service.

911 Services: If your modem is disconnected or moved, or its battery is not charged or otherwise fails, phone service, including access to 911 services will **not** be available. Please review the following website for additional important information about Cox's 911 practices: <https://www.cox.com/business/phone/e911-regulatory.html>.

To reduce unsolicited telemarketing calls, LA residential customers can now register, at no charge, for the "LA Do Not Call" program. To register, please contact the LPSC at 1-877-676-0773 or register online at <http://www.lpsc.org>. Business numbers may not be included on the list. To be included in the National "Do Not Call" registry, please contact the FTC at 1-888-382-1222 or visit www.donotcall.gov.

Businesses currently engaging or wishing to engage in telephonic solicitation of residential telephone customers in Louisiana must register annually with the Louisiana Public Service Commission (LPSC) to subscribe to the "Do Not Call" register. The register, updated quarterly, contains telephone numbers of residential customers who prefer not to be solicited. "Do Not Call" program rules and registration information may be found on the LPSC website: www.lpsc.org/donotcall, or by calling 1-877-676-0773 toll free. Fines and penalties may be imposed on telephonic solicitors who do not comply with these rules.

If you have any questions regarding your bill or disagree with any portion of your bill, immediately contact Cox with your concerns. You must contact us no later than 60 days from the bill's due date via the contact information listed on the front of this bill so that Cox can review your account.

To dispute the outcome related to your cable service, you may file a complaint with your local franchising authority: CITY OF BATON ROUGE, PO BOX 1471, BATON ROUGE, LA 70821

Checking Your Battery is Good Business!

Cox wants you to be prepared and provides a battery inside each telephone modem (eMTA) associated with your Cox Business voice service providing 8 hours of service under normal use when the commercial power is interrupted.

Make sure you are prepared in the event of a power outage at your location:

- Remember to check the battery regularly and ensure it is charged
- If the battery needs replacing or you have any questions, please call the number on your Cox bill to schedule free installation
- If your service does not have a telephone modem (eMTA) similar to the one shown, you can ignore this message
